Am. Numismatic Society,
New York City,

Gentlemen:

Kindly send me full
particulars in regard to your
society, and oblige,

Yours very truly,

May 23rd, 1918.

Mr. C. E. Sletto,
Groningen State Bank,
Groningen, Michigan.

My dear Mr. Sletto:-

I am very glad to reply to your letter of the 20th by enclosing you herewith a brief circular which summarizes the aims of this Society, and, under separate cover, I am sending you an Historical Sketch which in more extended forms gives an idea of it. You will there find illustrations of the medals issued, and more detailed information than could be included in the folder.

We are making a special effort to interest the Officers of banks in our Society because we feel that we can offer to them a greater measure of service than we can to others. I am taking the liberty of enclosing a card of application for associate membership. It would give me great pleasure to present your name at the next meeting of our Council.

Yours very sincerely,

Secretary.

June 14th, 1918.

Mr. C. E. Sletto,
Groningen State Bank,
Groningen, Minnesota.

Dear Sir:-

Referring to your communication of May 20th and my reply of May 23rd, I do not find that we have received your reply. I am sending this brief note in the hope that your consideration to become a member of this Society has been a favorable one.

Yours respectfully,

Secretary.
